What inspired us!

The design was inspired by the infinity symbol, epitomising modern luxury through the interconnection of two identical buildings with every element thoughtfully curated to avoid visual clutter.

Premium Quality Materials from trusted partners to guarantee durability and exceptional finishes.

Equipped with standard KNX Smart installation, offering advanced home automation for a modern lifestyle.

100% Privacy and Silence ensuring a peaceful living environment.

Spacious Balconies (3.40m wide) than typically offered, providing generous outdoor spaces with stunning sea view.

Expansive gardens, offering ample space for relaxation and outdoor activities.

DOUBLE INFINITY RESIDENCES

PROJECT'S LOCATION

KastelORIZOU 88 - 90 str., Voula, Athens, GR

“Our aim is to go above and beyond ensuring every detail will be made with genuine care and dedication. It is our priority to make the entire experience seamless and stress-free through the whole process”.

Your dream, our *Blueprint for Excellence*

Maisonettes

High-end designed maisonettes, where timeless design and modern comfort come together to create the perfect unity across the areas.

Ideal for families, professionals, or anyone looking for more space without compromising on style with generous living areas, high-end finishes, and thoughtfully crafted layouts providing the perfect balance of comfort and sophistication. Each maisonette boasts expansive gardens, perfect for outdoor relaxation and family gatherings, along with a private pool, offering the ultimate in leisure and luxury.

Apartments

Carefully crafted to maximize comfort and functionality offering ample storage with all the conveniences found in just one floor.

Ideal for professionals & small families looking for contemporary layouts with open-plan living spaces, high-quality finishes, and wide openings that flood each room with natural light. Enjoy spacious balconies (3.40m wide) with stunning sea views including a private pool.

Penthouses

Spacious outdoor terraces, perfect for entertaining or simply soaking in the panoramic scenery, where luxury meets unparalleled views and design.

Ideal for those who seek privacy, prestige, and expansive living spaces along with private pool, our penthouses offer a level of sophistication that goes beyond the ordinary with floor-to-ceiling windows, open-plan layouts and premium finishes designed to impress and inspire. The interior design is tailored for state-of-art kitchens and spacious living areas that flow seamlessly from one room to the next.
